Hex Collection

Based on the age-old milking stool design, the Hex brings a modern twist and flair. The use of Sixinch's minimalistic coated foam, combined with the natural effect of the wooden frame, creates a special kind of tension. The Hex can also be upholstered and is available in two different sizes and heights. The hexagonal shape and lightweight features give this seat full flexibility. The soft foam cushions you while granting firm support for whatever you place on top of it.

Service / Warranty

Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to support@sixinch.us and we will be happy to provide replacement options.

Upholstery Warranty

SIXINCH warrants that upholstery applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase. Softening of foam will occur through normal use and is not a manufacturing defect.

* Visit [sixinchusa.com/warranty](https://www.sixinchusa.com/warranty) for details on service and warranty terms and conditions.

FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in “heavy use”) shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as “toys”, building blocks, or without a wood base/glides) will not be covered under warranty.
