Levels Modular Lounge

Levels (LVL) represents how tiered seating should look and function. LVLs functions as traditional tiered seating, but takes it to the next level by adding more style, comfort, and flexibility. The “easy-to-gang” base attachments make swapping out and moving a breeze. This is tiered seating that looks different, functions better and grabs people’s attention!

Service / Warranty

Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to **support@sixinch.us** and we will be happy to provide replacement options.

Upholstery Warranty

SIXINCH warrants that upholstery applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase. Softening of foam will occur through normal use and is not a manufacturing defect.

* Visit **sixinchusa.com/warranty** for details on service and warranty terms and conditions.

FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in “heavy use”) shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as “toys”, building blocks, or without a wood base/glides) will not be covered under warranty.
