Cush'n

Cush'n is a seamless pillow, designed to be functional in open-air amphitheaters like libraries, lecture halls, educational centers and meeting rooms in the office. The seat pad can be completely customized with the option of upholstery or FlexPlus™ coated. The specially FlexPlus coated cushions can be used in outdoor settings as well due to the UV resistance and waterproof characteristics of the material..

Service / Warranty

Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to **support@sixinch.us** and we will be happy to provide replacement options.

Upholstery Warranty

SIXINCH warrants that upholstery applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase. Softening of foam will occur through normal use and is not a manufacturing defect.

* Visit [sixinchusa.com/warranty](https://www.sixinchusa.com/warranty) for details on service and warranty terms and conditions.

FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in "heavy use") shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as "toys", building blocks, or without a wood base/glides) will not be covered under warranty.
