### **Livv Arm Guest Chairs**

The Livv Arm Chair provides comfort and support with a wide range of customization options. The unique shape of the foam shell provides the user a snug seat while being wide enough to sit in different positions. The numerous design options, including upholstery and 30 FlexPlus™ colors allows designers to let their imaginations run wild! Livv has been reimagined to include a seat pad and quilted backside for the upholstered version.

## Service / Warranty

### Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to [support@sixinch.us](mailto:support@sixinch.us) and we will be happy to provide replacement options.

### Upholstery Warranty

SIXINCH warrants that upholstery applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase. Softening of foam will occur through normal use and is not a manufacturing defect.

\* Visit [sixinchusa.com/warranty](https://www.sixinchusa.com/warranty) for details on service and warranty terms and conditions.

### FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in “heavy use”) shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as “toys”, building blocks, or without a wood base/glides) will not be covered under warranty.
