

# Rock Elements

## Bench Collection

Designed by Rainer Mutsch

Product Sheet / **Rock Elements**

### Rock Elements

Rock Elements are a carved out polygonal rock benches made from FlexPlus™ coated foam. The sharp edges mixed with the soft foam create a crisp inviting look. This multifunctional piece is designed for use in high traffic spaces like retail, education and public places. Fasten the lightweight benches in place or allow free mobility and design flexibility.

## Service / Warranty

### Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to **support@sixinch.us** and we will be happy to provide replacement options.

*\* Visit **sixinchusa.com/warranty** for details on service and warranty terms and conditions.*

### FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in “heavy use”) shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as “toys”, building blocks, or without a wood base/glides) will not be covered under warranty.

## Quote

### Online

Visit **sixinchusa.com**, create an account and submit your quote. A customer service representative will be in touch to guide you through the purchasing process or put you in touch with your regional rep.

### Phone / Email

Call **855-577-2417** or email **support@sixinch.us**. Your regional rep contact information can also be found at **sixinchusa.com/connect**.
