### Rocky Chair

Designer Rainer Mutsch, inspired by the Austrian Alps, created the Rocky chair. The Rocky Chair is the result of Mutsch's determination to design a comfortable inviting seat featuring crystalline edges. Made of 100% recycled PE, the rotomolded Rocky is a bold lounge chair for pool decks, educational spaces or even the office.

## Service / Warranty

### Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to **support@sixinch.us** and we will be happy to provide replacement options.

### Upholstery Warranty

SIXINCH warrants that upholstery applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase. Softening of foam will occur through normal use and is not a manufacturing defect.

\* Visit **[sixinchusa.com/warranty](https://sixinchusa.com/warranty)** for details on service and warranty terms and conditions.

### FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in “heavy use”) shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as “toys”, building blocks, or without a wood base/glides) will not be covered under warranty.

### Molded PE Warranty

Molded PE applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase.
