Modular Lounge & Sofa

Designed by SIXINCH

Product Sheet / **S1**

S1 Collection

Classified as comfortable, the S1 features a simple inviting seat curve combined with soft foam. Designed by Pieter Jamart, the S1 is designed for building dynamic environments. Made from a solution to repel water, withstand weather and protect against sunlight, the chair can be used in outdoor spaces.

Service / Warranty

Servicing

Damaged components in need of replacement require an image of the damaged part and a reference to your order number. Please email this information to **support@sixinch.us** and we will be happy to provide replacement options.

Upholstery Warranty

SIXINCH warrants that upholstery applications shall be free from defects in materials and workmanship for a period of five (5) years from the date of purchase. Softening of foam will occur through normal use and is not a manufacturing defect.

* Visit **sixinchusa.com/warranty** for details on service and warranty terms and conditions.

FlexPlus™ Warranty

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in “heavy use”) shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as “toys”, building blocks, or without a wood base/glides) will not be covered under warranty.
